

John Kenneth Elemen

elemenjohnkenneth@gmail.com | 09129305198 | San Antonio, Nueva Ecija

BSIT graduate from Phinma Araullo University specializing in Web Development. Passionate about graphic design and coding, I solve problems logically and stay current with new trends.

Experience

Erusaia Research Pharma Corp, Pre-Internship

July 2024 - September 2024

Software developer
assigned to build an inventory system, manage disbursement vouchers, and handle stability testing processes.

MicroSource Inc, Internship

November 2024 - February 2025

Junior Software Engineer, I worked on multiple projects, developing web applications, optimizing databases, integrating systems, and enhancing UI/UX while collaborating in an Agile environment.
