

JOHN KENNETH ELEMEN

WEB DEV | SQA SPECIALIST |
GRAPHIC DESIGNER

ABOUT ME

I have a Bachelor's degree in Information Technology (BSIT) with a focus on Web Development from Phinma Araullo University. I'm passionate about doing great work in graphic design and web development. I enjoy solving problems on my own, using logic and paying attention to details. I'm always learning to keep up with new trends and skills in the field.

TECHNICAL SKILLS

- Database (MariaDB)
